**Certified Financial Planner (CFP)**

The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP (with flame design) marks (collectively, the “CFP® marks”) are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP Board”).

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 62,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- Examination – Pass the comprehensive CFP® Certification Examination. The examination, administered in 10 hours over a two-day period, includes case studies and client scenarios designed to test one’s ability to correctly diagnose financial planning issues and apply one’s knowledge of financial planning to real world circumstances;
- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- Ethics – Agree to be bound by CFP Board’s *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the *Standards of Professional Conduct*. The Standards prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board’s enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

CFP Acknowledgment: Brett A. Parker acknowledges his responsibility as a CFP® Certificate to adhere to the standards that have been established in the CFP Board’s Standards of Professional Conduct. If you become aware that Brett A. Parker’s conduct may violate the Standards of Professional Conduct, you may file a complaint with the CFP Board at [www.CFP.net/complaint](http://www.CFP.net/complaint).

### **Item 3 – Disciplinary Information**

Brett A. Parker has no legal or disciplinary events to report.

### **Item 4 – Other Business Activities**

#### **Registered Representative of a Broker-Dealer**

Brett A. Parker is separately licensed as a registered representative with Cambridge Investment Research, a registered securities broker/dealer, member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investors Protection Corporation (SIPC). When acting in his separate capacity as a registered representative of Cambridge Investment Research, Brett A. Parker may sell, for commissions, general securities products such as stocks, bonds, mutual funds, exchange-traded funds, and variable annuity and variable life products to advisory clients. As such, Brett A. Parker may suggest that advisory clients implement investment advice by purchasing securities products through a commission-based Cambridge Investment Research account in addition to Aquilant Advisors advisory account.

The receipt of commissions creates an incentive for Brett A. Parker to recommend those products for which he will receive a commission. Consequently, the objectivity of the advice rendered to clients could be biased. Brett A. Parker controls for this potential conflict of interest by discussing with clients the

advantages and disadvantages of establishing a fee-based account through Aquilant Advisors versus establishing a commission-based account through Cambridge Investment Research. Aquilant Advisors does not require its advisor representatives to encourage clients to implement investment advice through Cambridge Investment Research.

Brett A. Parker does not earn commissions in fee-based accounts.

Clients are never obligated or required to establish accounts through Aquilant Advisors or Cambridge Investment Research. However, if a client does not choose to accept Brett A. Parker's advice or decides not to establish an account through Cambridge Investment Research, Brett A. Parker may not be able to provide management and advisory services to the client. Clients should understand that, due to certain regulatory constraints, Brett A. Parker in his capacity as a Cambridge Investment Research must place all purchases and sales of securities products in commission-based brokerage accounts through Cambridge Investment Research or its other approved institutions.

### **Insurance Agent**

Brett A. Parker is independently licensed to sell insurance and annuity products through various insurance companies. When acting in this capacity, Brett A. Parker will receive commissions for selling insurance and annuity products.

Brett A. Parker may also receive other incentive awards for the recommendation/sale of annuities and other insurance products. The receipt of compensation and other incentive benefits may affect the judgment of Brett A. Parker when recommending products to its clients. While Brett A. Parker endeavors at all times to put the interest of his clients first as a part of Aquilant Advisors' overall fiduciary duty to clients, clients should be aware that the receipt of commissions and additional compensation itself creates a conflict of interest, and may affect Brett A. Parker's decision-making process when making recommendations.

Clients are never obligated or required to purchase insurance products from or through Brett A. Parker and may choose any independent insurance agent and insurance company to purchase insurance products. Regardless of the insurance agent selected, the insurance agent or agency will receive normal commissions from the sale.

### **Item 5 – Additional Compensation**

Brett A. Parker has no other compensation relationships to disclose.
